THE NORTHEAST CONFERENCE
on the Teaching of Foreign Languages
SIXTEENTH ANNUAL CONFERENCE
27 to 29 March 1969
HOTEL AMERICANA OF NEW YORK
Conference Chairman: F. André Paquette, ACTFL, 62 Fifth Avenue, New York City 10011
Conference Theme: Sight and Sound: The Sensitive and Sensible Use of Audio-Visual Aids

There will also be sessions for media shop-talk, divided into
language groups, and exhibits of textbooks, tapes, discs, language
lab equipment, and other teaching aids. Invitations and advance
programs go automatically in January to all registrants at any of the
three most recent Conferences. Others interested may receive invi­
tations at that time by writing to Mrs. Nancy Lian, 320 Riverside
Drive, New York City 10025. Preregistration will avoid a long and
frustrating wait in the registration line.
If you care about teaching efficiently
Cybervoxx® is the only laboratory that makes sense

Would you like to have the advantages of remote recorder systems combined with the simplicity of use and lower cost of in-booth recorders?

Do you wish you could keep your students' equipment safe from the prying hands of your students even while they use it?

Don't you think that total teacher control of every function of any combination of student recorders is desirable even essential?

The Cybervoxx laboratory offers you all these advantages and many, many more. For the ultimate in performance, flexibility, reliability and versatility compare Cybervoxx equipment—you will find it incomparable.

MULTITAPE®

HIGH SPEED TAPE DUPLICATORS

U. S. PATENT NO. 3177299

... make high fidelity copies of your master tapes quickly, easily and economically. MULTITAPE models are available to produce as many as six monaural or stereo tape copies in just six minutes—quantity copies at a rate of sixty an hour. Maintenance is minimal. All-solid-state electronics give cool, long-lived operation—and no tubes to replace. A specially designed torque motor means no clutches to adjust, no belts to replace. MULTITAPE units have proven themselves for more than a decade in leading universities and educational systems throughout the United States and foreign countries. They qualify for purchase under N. D. E. A. Write today for details and specifications on this unique, money-saving equipment.
