# GUIDELINES FOR CONTRIBUTORS

## SUBMISSIONS

We require authors to submit their manuscripts and a 300-word abstract using the journal's online submission system. For questions regarding submissions or the online system, please contact the assistant editor at [asjo@ku.edu](mailto:asjo@ku.edu). As photographs and other imagery often enhance the text and the journal considerably, the editors strongly encourage authors to provide illustrations with their submissions. Additional guidelines for contributors can be found at: <https://journals.ku.edu/amsj/about/submissions>.

## FORMAT AND STYLE

*American Studies* uses a double-anonymous review process. Contributors should remove any identifying information from their work before submitting it to the journal. Only the manuscript's title, text, and citations should appear on the Microsoft Word document the author submits. Manuscripts should be double-spaced with one-inch margins on all sides and be between 20 and 30 pages in length. We strongly urge authors to use endnotes, which should be in Arabic numerals, and to place all images and figures at the end of the document. All work should be prepared following the most recent editions of Chicago, MLA or APA citation formats. Any manuscript not meeting these standards may be returned to the author for proper reformatting before it is considered. Contributors agree upon submission that manuscripts sent to the journal will not currently be under consideration for publication elsewhere while under review by *American Studies*.
