● ON THE COVER: Vapor trails and the uncompleted arch: Before our own St. Louis gateway project is completed, we hope to add several more articles on the settlers who have shaped St. Louis character to the two in this issue. To papers on the Germans in the nineteenth century and the Negroes in the twentieth, we would like to add others on the French in the eighteenth, the East St. Louis Irish and the Jews. Photo by Charles Cox, Southern Illinois University Photo Service.
