Because a couple of essays submitted for this Issue for Alex were accepted too late for inclusion, the editor is pleased to announce an Annex for Alex—which is to say, we'll run them and identify them in a near-future issue. Maybe we'll even find another mug-shot of the great man to run with them!

This issue of *American Studies* has been made possible in part by funds from the Graduate College and the School of Letters of the University of Iowa.
