Information for Contributors

Manuscript format and style: Please include a cover letter that provides your mailing address, telephone number, email, and the manuscript title; a brief abstract; and a manuscript. *IST* uses a double-blind review process so contributors are asked to not include their name on the abstract and manuscript. Manuscripts should be double-spaced and prepared following the *Chicago Manual of Style*, 15th edition, and should include a bibliography. Please submit illustrations or tables either as separate files or as separate pages following the notes. Submission of a manuscript implies that it has not previously been published, and that it is not under consideration elsewhere.

Manuscript submission form: Manuscript submissions are accepted electronically. We can normally work with files in any common Windows word processor format, but RTF (Rich Text Format) is a safe choice. Do not send a PDF file. Send the file attached to an e-mail message to: <insjournal@ku.edu>.
