The appearance of the code at the bottom of the first page of an article indicates the consent of *American Studies*, the copyright owner, that copies of the article may be made for personal or internal use, or for personal or internal use of specific clients. This consent is given on the condition, however, that the copier pay the stated per-copy fee through the Copyright Clearance Center, Inc., 29 Congress Street, Salem, Massachusetts 01970, for copying beyond that permitted by Sections 107 and 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale.

ISSN 0026-3079

**Editors' Note:** This special double issue of *American Studies* represents a new generation of scholars who reexamine old issues and explore new ones, with innovative methodological and theoretical approaches. Some of the papers come from the New Voices conference sponsored by the University of Wyoming American Studies Program in March 2003; others from regular submission. Together they offer a glimpse of the future of American Studies.
