Chimères is a literary journal published twice annually by the graduate students of the Department of French and Italian at the University of Kansas. Since its inception in 1967 Chimères has sought to provide a forum for both scholarly and creative expression by graduate students in the field of French and Italian. The journal hopes to serve as a means for the lively exchange of ideas and as an outlet for the publication of graduate scholarship at Kansas University and elsewhere.

Papers may deal with any aspect of French or Italian literature, language, or culture. We will consider any critical study, essay, bibliography, or book review. Such material may be submitted in English, French, or Italian. The editors also encourage the submission of poems and short stories written in French or Italian.

Manuscripts must conform to the MLA Style Sheet and should not exceed 20 pages in length. All submissions should be double-spaced and be clearly marked with the author's name and address. Please submit all material in duplicate to help facilitate the editorial process, and enclose a stamped, self-addressed envelope if return of the material is desired.

Chimères appears twice during the academic year (Autumn and Spring numbers). The annual subscription rate is \$4.00.

The journal is published with funds provided in part by the Student Activity Fee through the Graduate Student Council of the University of Kansas.
