A Journal
of French and
Italian Literature

Volume XIV,
Number 2

Chimères is a literary journal published each academic semester (Spring and Fall numbers) by the graduate students of the Department of French and Italian at The University of Kansas. The editors welcome the submission of papers written by non-tenured Ph.D's and advanced graduate students which deal with any aspect of French or Italian literature, language, or culture. We will consider any critical study, essay, bibliography, or book review. Such material may be submitted in English, French, or Italian. In addition, we encourage the submission of poems and short stories written in French or Italian.

Manuscripts must conform to the MLA Style Sheet and should not exceed 15 pages in length. All submissions should be double-spaced and be clearly marked with the author's name and address. Please submit all material in duplicate. If return of the material is desired, please enclose a stamped, self-addressed envelope.

The annual subscription rate is \$4 for individuals and \$10 for institutions and libraries.

Chimères is published with funds provided in part by the Student Activity Fee through the Graduate Student Council of The University of Kansas.
