NANCY VIVIAN

- Polyeucte's God 81

TIMOTHY J. WILLIAMS

- Pascal et le problème du "présent" 103

It is with the deepest regret that I announce the suspension of publication of Chimères. Various circumstances have made it impossible, at least for the present, to continue producing the journal.

I would like to extend a special word of thanks to Hilda Doerry and Claude Biselx, who have unselfishly given of their time and computer expertise so that this final issue might be completed.

Hope Christiansen
