recently opened Kenneth Spencer Research Library at the University of Kansas. It is hoped that owners of German-American books, manuscripts, magazines, newspapers, annuals, calendars, etc., will be willing to present them to the Center, or if necessary to sell them. In particular, libraries, historical societies, German-American clubs and other groups which for lack of space, or because of other priorities, wish to dispose of their German-American material, are encouraged to turn them over to the MAX KADE RESEARCH CENTER. Although our funds are limited we would be glad to pay packing and shipping expenses.

Time is of the essence. Many Americans—both those of German descent and others—who own German-American material may be unaware of the research value. We would be grateful for any information about collections of this kind—however small—and would appreciate your help in disseminating news about this project among your friends and colleagues.

As material is added to the MAX KADE RESEARCH CENTER we hope to publish a bulletin of acquisitions. We will be happy to send copies to you on request.
