

**NEW MATERIALS AVAILABLE FROM THE
NALLD PUBLICATIONS CENTER**

YOU must be a NALLD member to use this service. In many cases the reprint itself is free; however, you must provide a self-addressed, 9 x 12 inch manila envelope that is stamped with the proper return postage. The order form lists the weight of each item; you must total up the weight of all items ordered and compute your postage after deciding whether you want the information to be sent by First Class or Third Class mail. Requests for materials will be honored only when made on the order form and accompanied by the properly stamped self-addressed manila envelope.

At present we cannot distribute items in quantity; however, you have our permission to reproduce or copy any material received from the Publication Center provided you identify the source by the line:

—————Reprinted by permission of the National
Association of Language Laboratory Directors

NALLD members are encouraged to offer items for possible inclusion in the Publications Center. Please address Mr. Charles P. Richardson, *Director*, NALLD Publications Center, Ellis Hall, Ohio University, Athens, Ohio 45701. We would especially like routine work forms which schools actually use in their operations. Naturally, you must agree that others can reproduce any material provided to our Publications Center.

Members are encouraged to offer suggestions on other categories which we should add to our list.
