

## POSITIONS AVAILABLE

**Position Title:** Associate Director of the Language Learning Laboratory, The University of Illinois. Position available starting August 21, 1979. LLL is a teaching and research media center of the School of Humanities, with an audio laboratory, a CAI (PLATO) Laboratory, a TV division, and a technical services division.

**Duties:** Consult with the Director of LLL and its Executive Committee on all the research and service functions of the Language Learning Laboratory and implement, in cooperation with the Director, approved LLL policies. Advise and assist the Director on administrative, instructional and research matters, including the preparation of reports, research project design, writing of grant proposals, etc. Advise faculty and students on the effective use of LLL technologies for instruction and research. Teach appropriate courses as needed. Direct the PLATO site.

**Qualifications:** A doctorate in a field involving research skills in second language acquisition and/or linguistic analysis. Background in instructional media including computers. Teaching experience in foreign language, FL methodology, or applied linguistics. Administrative experience desirable.

**Conditions:** Salary up to \$18,000 for a twelve months appointment with one month's vacation. Permanent position, to begin August 21, 1979 pending final budgetary approval. In order to assure full consideration, applications must be received by February 15, 1979. Send letter of application and vita to Professor Bruce H. Mainous, G-70 Foreign Languages Building, University of Illinois, Urbana, Illinois 61801. Tel: (217) 333-9776.

The University of Illinois is an Affirmative Action/Equal Opportunity Employer.

**Position Title:** Director of Language Learning Technology, School of Language and Linguistics, Georgetown University.

**Qualifications:** Master's Degree, study and teaching of foreign languages at college level, familiarity with the current sources of software, ability to supervise the production of same, awareness of current trends in languages teaching and audio-visual education. Experience (at least five years) in the operation of both broadcast and library modes of language laboratories (both open reel and cassette laboratories), designing and operating new installations, capability to evaluate software both technically and academically. Ability to work closely with faculty and students to encourage imaginative use of media and to assist in the development of audio-visual materials, and to supervise and train laboratory personnel, both professional and non-professional.

**Conditions:** Minimum starting salary \$15,800 depending upon qualifications. Applications must be received by March 31. Position available September 1, 1979. Send resume and names of three references to: Jose M. Hernandez, School of Languages and Linguistics, Georgetown University, 37th and O Streets, N.W., Washington, D.C. 20057.

Georgetown University is an equal opportunity, affirmative action employer and encourages applications from women, minorities, and handicapped.

**Position Title:** Language Lab Supervisor, Dynacom Division of Dynalelectron Corporation in Alexandria, Virginia.

**Qualifications:** This position is for a full-time language lab supervisor. The person should be experienced with English language cassettes and cassette players. He or she should be able to order, copy, erase, and inventory the tapes, monitor student practice in a 12-position lab, perform simple maintenance on portable cassette players, and deal with companies selling tapes and servicing equipment. Materials are mostly from Defense Language Institute and English Language Services. Work may begin in March, 1979. Salary is negotiable. Degree in English, TEFL, Linguistics or Foreign Languages necessary. Experience running a lab essential. Familiarity with Arabs or Arabic desirable. Send letter and resume to Dynacom Division of Dynalelectron, 880-D South Pickett Street, Alexandria, Virginia 22304. ATTN: Training Section.

# MONI-COM II

- wireless
  - Monitor /intercom
  - 6-channel programming
  - Electronic classroom
- MAKES IN-CLASS  
TUTORING SIMPLER  
AND MORE EFFECTIVE**

Language students often need individual attention from the teacher. Now there's patented MONI-COM II to help with classroom tutoring. An exclusive feature allows as many as 40 students per console to be monitored. Each student can be helped without embarrassment or disturbing others . . . even the student's program and responses can be recorded for playback. MONI-COM II broadcasts up to six different lessons at one time to students wearing 6-channel receiver/headsets with microphones. Because the system is wireless, there's unprecedented flexibility in room usage and seating. The compact 26" x 18" x 8" console is easily portable. For a free, no-obligation demonstration in your school, contact P/H Electronics . . . also manufacturers of 2 to 12-channel one-way wireless systems for the classroom and instructional media centers.
