THE NORTHEAST CONFERENCE
on the Teaching of Foreign Languages

SIXTEENTH ANNUAL CONFERENCE

27 to 29 March 1969

HOTEL AMERICANA OF NEW YORK

Conference Chairman: F. André Paquette, ACTFL, 62 Fifth Avenue, New York City 10011

Conference Theme: Sight and Sound: The Sensitive and Sensible Use of Audio-Visual Aids

There will also be sessions for media shop-talk, divided into language groups, and exhibits of textbooks, tapes, discs, language lab equipment, and other teaching aids. Invitations and advance programs go automatically in January to all registrants at any of the three most recent Conferences. Others interested may receive invitations at that time by writing to Mrs. Nancy Lian, 320 Riverside Drive, New York City 10025. Preregistration will avoid a long and frustrating wait in the registration line.

If you care
about teaching efficiently
Cybervox® is the only laboratory
that makes sense

Would you like to have the advantages of remote recorder systems
combined with the simplicity of use and
lower cost of in-booth recorders?

Do you wish you could keep your students equipment safe
from the prying hands of your students
even while they use it?

Don't you think that *total teacher control*
of every function of any combination
of student recorders is desirable
even essential?

The Cybervox laboratory offers you
all these advantages and many, many more.

For the ultimate in performance,
flexibility, reliability and versatility
compare Cybervox equipment—
you will find it incomparable

MULTITAPE[®]

HIGH SPEED TAPE DUPLICATORS

U. S. PATENT NO. 3177299

. . . make high fidelity copies of your master tapes quickly, easily and economically. MULTITAPE models are available to produce as many as six monaural or stereo tape copies in just six minutes—quantity copies at a rate of sixty an hour. Maintenance is minimal. All-solid-state electronics give cool, long-lived operation—and no tubes to replace. A specially designed torque motor means no clutches to adjust, no belts to replace. MULTITAPE units have proven themselves for more than a decade in leading universities and educational systems throughout the United States and foreign countries. They qualify for purchase under N. D. E. A. Write today for details and specifications on this unique, money-saving equipment.

MANUFACTURED AND SOLD EXCLUSIVELY BY
