# WICOM PRESENTS THE BUDGET FRIENDLY LANGUAGE LAB

Now you can have the quality of a wired lab at a wireless price. WICOM, using advanced electronic techniques has produced a modern, no nonsense, easy to operate language lab. The compact MC-8501 Master Console has all the features you need and expect, plus others such as four program output and LIBRARY, automatic monitor scanning and an analyzer which allows you to check student comprehension quickly and easily.

WICOM can provide not only booth

amplifiers for audio-active capability but also booth recorders for audio-active-compare. Plus they can be mixed in any combination in your installation, so you can challenge both your average and advanced students.

So it's hello WICOM features and flexibility, goodbye wireless batteries and stray interference.

Call us for the name of the dealer nearest you who will be happy to show you the advantages and cost effectiveness of a WICOM wired language lab.
