Language Resource Center Director

Applications and nominations are invited for Director of the Learning Resource Center. The Director reports to the Dean of Instruction and is responsible for management of the Library and related media resources, including a-v equipment and computerized information storage and retrieval systems. Minimum requirements include a Master's in Library Science. Highly desirable is an understanding of technological developments in library and learning resources operations and an appreciation of the expanding role of media technology. Northwest Technical College is Ohio's fastest growing two-year public college and located near Archbold, Ohio, in the state's rural northwest. With over 1700 students, the college is currently in Phase Two of a four-phase building expansion program that will double its physical plant size. Qualified applicants who are interested in this creatively challenging educational opportunity should submit a letter of application with their current résumé; also required are official transcripts and three letters of reference. Initial review of applications begins in August. The search continues until the position is filled. Send materials to: Mr. Thomas L. Stuckey, Dean of Instruction, Northwest Technical College, Route 1, Box 246-A, Archbold, Ohio 43502. Phone: (419) 267-5511.

Suzanne,

Thank you for the back issues of the journal! Sorry it took me awhile to acknowledge receipt, but I only got back to work on Friday after nearly 4 weeks in France.

You only sent no.1 of Vol 21. Was that the only one published or is it that you did not have any extras? I just want to know so that I can have an idea how complete my collection is and whether I should look elsewhere for back issues. (I am still hoping Phil Richardson will get me some of the NAALD issues).
