

Iguana

T-Shirt

Dunthorpe Press is pleased to announce the signing of James W. Hatfield III to write his book "Green Iguana — The Ultimate Owner's Manual". His three years of research will culminate in the book's release in early 1993.

To show our excitement about this long-awaited book, we are offering a pre-book promotional iguana T-shirt.

BACK OF THE SHIRT

- * A very detailed, realistic pen-and-ink drawing of a huge iguana that takes up most of the back of the shirt.
- * So detailed that you can see individual scales, spines and color patterns.
- * The eye on the iguana looks so real you will swear that it is looking back at you.
- * The iguana is done in four colors: tan, lime green, dark brown and grey.
- * The iguana is so big that the tail has to wrap around the side of the shirt and ends curled up on the front of the T-shirt.

FRONT OF THE SHIRT

- * At the top in burgundy-colored lettering is the title of the book and the name of the author: "Green Iguana — The Ultimate Owner's Manual" by James W. Hatfield III.
- * The tail on the front actually wraps around the author's name.
- * Coming or going, people are going to see your T-shirt and want one just like yours.

The 100% cotton pre-shrunk white shirt comes in Medium, Large and X-Large. The shirt is top-quality, heavyweight material, with reinforced shoulder stitching, made in the U.S.A. The cost is \$15.00 (plus \$2.50 S&H*). Please allow 2-3 weeks for delivery.

* For every additional shirt add \$0.50, up to five (5) shirts. For more than five shirts, write or fax for details.
