

MIDTESOL 2013: “Engaging Learners, Building Community”

Elizabeth Gould

MIDTESOL is in Lawrence this year! This is a great way to put into practice the ideas discussed in this Supplement to ILI and you can consider it a test run for TESOL 2014. Also, the MIDTESOL conference is a wonderful opportunity to network with colleagues from the Midwest, especially, Iowa, Missouri, and other Kansas schools. Here are some details:

Place: Lawrence, KS
Date: October 12-13
Proposals: <http://midtesol.org/midtesol/MIDTESOL%202013%20Call%20for%20Presentation%20Proposals.pdf>

Volunteer at the Conference!

If you would like to volunteer at the conference, please send me an e-mail at egould@ku.edu and I will add you to the list! There are a number of activities that will need to be completed before, during, and after the conference. This is a perfect opportunity for professional service.
