-----Editor's Note: A copy of Gramm's book is at the Library of the University of Minnesota. The complete names, places of origin, occupation, and other information on the persons bearing the above surnames have been recorded by Prof. Rippley on 3x5-inch file cards. These cards are available at the Western Reserve Historical Society (Ward Collection of Americana Germanica) in Cleveland, Ohio. Each of the above entries gives the following information: (1) surname, (2) first name, (3) town and/or state of origin. In some cases, the person's middle name is also given.
