#### ANCESTORS FROM EUROPE RESEARCH SERVICE

*Do you have Ancestors from Europe?*

We offer you a *free* service.

1. If you send us your pedigree or an extract of same with up to 3 families (names) you are interested in, we will check our archives, whether any information is available which fits into your genealogy.
2. Furthermore we will check to see if anything has been published about your family since 1897.
3. Last but not least we will check, one of the surnames, for the possibility of an existing coat of arms.

With our individually tailored report you will get information how we could help you to trace you family history back more. — The more detailed you inform us of your problems, the better we can aid you. — Please enclose \$2.00 cash for postage and handling.
