## 2021 QI Project

Please complete the survey below.

We hope to use this feedback to make continual improvements to the on-call checkout system.

Thank you!

1)	How would you describe your role?					
	○ Attending Physician	⊖ Resident	⊖ APRN/PA	⊖ Nurse	○ Office staff/MA	⊖ Student/Other
2) Describe your experience using Listrunner:						

○ continued user (application use for 8 weeks or longer)	$\bigcirc$ episodic user (stopped using application within 8
weeks) 🔿 I have never used Listrunner	

	This section is to gauge how frequently the survey respondent is using the checkout tool. If you are a resident on call (or supervising younger residents), for example, you would enter "often" or "very often" to these questions as you are a comprehensive user of the checkout system.					
3)	When applicable, I enter notes into the email/listrunner checkout tool (or I am responsible for the notes entered by the junior resident).					
	○ never ○ rarely ○ sometimes ○ often ○ very often					
4)	I use the checkout tool to update existing notes for patient progress (or responsible for list management).					
	○ never ○ rarely ○ sometimes ○ often ○ very often					
5)	I use the checkout tool to communicate with other providers for patient handoffs.					
	○ never ○ rarely ○ sometimes ○ often ○ very often					
6)	I use the checkout tool to read or review notes on patients.					
	○ never ○ rarely ○ sometimes ○ often ○ very often					
7)	I use the checkout tool to access patient notes from home or while on call.					
	○ never ○ rarely ○ sometimes ○ often ○ very often					
8)	Which version of the checkout tool do you commonly use?
