The *Latin American Theatre Review* is published semi-annually, fall and spring, by the Center of Latin American Studies of the University of Kansas. The views expressed by contributors to the *LATR* do not necessarily reflect the opinions of the Center or its editorial staff. The editors are particularly interested in receiving material related to the history, criticism or bibliography of Latin American theatre. Manuscripts (*original copy only*) may be submitted in English, Spanish or Portuguese and must conform to the *MLA Style Sheet*. Scholars may, without prior permission, quote from the *LATR* to document their own work, but it is their responsibility to make proper acknowledgment and to limit quotation to what is legitimately needed. This waiver does not extend to the quotation of substantial parts of articles or to a quotation presented as primary material for its own sake. Requests for permission to reprint all or substantial parts of articles should be made to the publisher. A statement of permission from the author should accompany such requests.
