

*Boletín del Centro Mexicano del Instituto Internacional de Teatro (ITT)*

This tri-lingual (Spanish, English, French) bulletin about recent theatre activities in Mexico is published in collaboration with the Centro de Investigación e Información Teatral Rodolfo Usigli. The first bulletin contains reports on the First International Amateur Theatre Festival, the VII National Theatre Festival in Xalapa (July 14-21, 1984), the II National Congress of Theatre for Children and Youth, University Theatre, the work of the Teatro del Instituto Mexicano del Seguro Social, and a list of productions for the 1984 season. It is hoped that the bulletin will help make Mexican theatre better known both nationally and internationally.
